Parents and Grandparents program will reopen this month

IRCC has declared its intention to invite candidates from the 2020 intake of the PGP. This means that the individuals receiving invitations in the upcoming round will have submitted their profiles in 2020. This will be the fourth year in a row that the PGP will only consider profiles submitted in 2020.

Under the PGP system, applicants will be invited at random lottery system. These invitations will be delivered to sponsors through the email provided on their interest to sponsor form. Sponsors are advised to check their emails starting May 21st, with all invitations being delivered within roughly two weeks of this date.
